FROM OUR SUPERINTENDENT....

LEADERSHIP AND LEARNING GO HAND-IN-HAND

November 15 will mark the ninth official statewide observance of School Board Members Day in Illinois. This is an opportunity for the district and community to thank school board members for their commitment in providing a local governance voice for your education decisions.

Board members must be tuned in to the voices of their community. They craft a vision, mission, and goals to accurately reflect the desires expressed by parents and residents. They take their positions seriously and view their roles as a way to create opportunities for all students to succeed.

When it comes to public service school board members are some of the most selfless volunteers around. They are your coworkers, neighbors, parents, and everything in between. They are also the front-line advocates fighting for quality education for every child. They serve without the expectation of a paycheck in a position where they act as guardians of the community's tax dollars and its most precious resource—the children.

School board members do more than just attend meetings, they devote a significant amount of their own personal time to the district. They attend extracurricular events to support schools. They participate in professional development opportunities to learn how to become better leaders. They are often involved in other local events, representing themselves, their community, and their district. Many of these activities take them away from time that could be spent with their own family. They sacrifice in order to create a better future for the students they represent.

Some people are quick to criticize school board members without understanding the details that went into the decision-making process. As a result, the efforts of the local board of education often go unrecognized and unrewarded. Quality education opportunities are one of the largest drivers of successful communities. High quality public schools directly equate to a thriving local economy and a growing community. The leadership exemplified by board members directly impacts the school district, students, and parents, but it touches the lives of nearly every resident in one way or another.

November 15, 2017 has been designated as School Board Members Day in Illinois. Leadership for our community and our schools begins with the tireless work of the local board of education. Help us join with others from throughout Illinois recognizing their efforts.

Sincerely,
Rolf Sivertsen, Superintendent

2017 State School Report Cards

District 66 will distribute the state generated school report cards via our internet website, www.cantonusd.org. This information should be available from the state and posted on our website by the end of October or early November.

You may request a printed copy by calling 309-647-9411.

Notice to High School Parents

The *No Child Left Behind Act* requires schools to provide, upon request, directory information for their students to military recruiters. **If a parent does not want this information released a signed request by the parent must be sent to the school.**

Lincoln Elementary School

Lincoln Elementary students and staff have had a fantastic start to the school year. Throughout the building we are focused on our STAR expectations and making academic progress. We kicked off the month of September with our first STAR character assembly where we talked about what it means to be respectful. We also crowned our first Lincoln Star Student, which was Anabelle Tarvin. Every month across all grade levels classroom teachers are going to nominate one student from their class who exemplifies the qualities of a star student. Mrs. McFerren will then draw one lucky students name from the nominees to be The Lincoln Star Student. Our next assembly is on October 6th and the focus of our assembly will be responsibility.

Lincoln School Celebrations

- Club Unify has started and they have started their buddy lunches
- 4th grade Science Adventure Day was a huge success
- Student Leadership had their first meeting with Mrs. McFerren
- The new playground equipment donated by LSS has been installed
- 77% of students were represented at the Fall Open House
- Over 100 students attended the Back to School Celebration

Upcoming Events

- Club's Choice fundraiser drop off on October 16th
- Parent Teacher conferences on October 17th, 19th, and 20th
- Picture Re-take day on October 26th
- Halloween parties and early dismissal on October 31st
- Veteran's Day Celebration at CHS on November 10th @ 9:30 am

Feel free to contact Mrs. McFerren at any time with questions and/or celebrations.

Attention Parents/Guardians

Great things are being accomplished for the students in this district. One way to communicate this message to you, our parents, and the community is through the district and individual school web pages. From time to time we may wish to use your child's picture on one of these web pages.

If you do not wish to have your child's picture used on a Canton Union School District #66 web page, please contact your student's school secretary as soon as possible.

To keep informed of happenings within the school district access the district web page at www.cantonusd.org. Thank you once again for your support as we strive toward our District 66 goals.

Westview Elementary School

@Westview66
#westviewproud

Westview students and staff are off to a great start for the 2017-2018 school year. We began our school year by hosting a kindergarten open house prior to the start of school. Our newest students arrived to meet their teachers, get their pictures taken, and put their supplies in their classrooms. Friends of Westview representatives were here to give students and parents their first tour of the school.

We have several new faces at Westview this year. Amanda Havens is our newest kindergarten teacher. Kristy Hobby is our new third and fourth grade resource teacher. Jennifer Ellinger is our new first grade teacher. Carrie Wheeler is our new office secretary. All new staff members are excited to be a part of our building and we are equally excited to welcome them.

On August 30, Westview held its annual all-school Open House. Teachers went over classroom procedures and expectations. A complimentary supper was offered in the cafeteria by the Friends of Westview. This year our Accelerated Reader Theme is "Sports." Each student will receive a prize as they meet their goal and their name will be announced at the morning assembly. The classrooms will also be working towards a goal. As they reach their goal, they will move to the next island on the bulletin board outside of the library.

This year we will be sending home copies of report cards. Parents will also be able to access all student information including report cards by logging on to Skyward Family Access. If you need your login and password please stop by the school office and it will be given to you.

Each month, Westview will publish a newsletter with information about the upcoming events, dates to remember, and information on how to help your child. Please take some time to read through the newsletter and mark those important dates down on your calendar.

Regular attendance is important for your student's academic success. If your student needs to be absent due to illness please contact our Westview office at 647-2111 by 8:30 am.

We are looking forward to having you visit our school and you can follow us on Facebook. We have also started a Westview Twitter feed. Search for @Westview66 or #westviewproud to see the special activities going on each and every day. To receive messages via text, text @westview to (224) 803-3663. You can opt-out of messages at any time by replying, "unsubscribe @westview".

Eastview Elementary School

Eastview students and staff have had a great start to the 2017-2018 school year. Eastview has implemented a new building wide behavior management program called PBIS (Positive Behavior Intervention and Supports). You will notice the GIANT SMILES logo displayed throughout the building. The students are able to earn GIANT SMILE tickets for showing our SMILE expectations. S.M.I.L.E. stands for S-Show Respect, M-Make Good Choices, I-I'm Independent, L-Love, E-Eager to Learn.

Eastview families have also had the opportunity to attend a kindergarten open house as well as a whole school open house. Thank you to all who attended.

We would like to welcome Carrie Gobert, Kayla Searle, McKenzie Coulter, Devan Spears, Denise Matzke, Kyle Lindmark, Courtney Kachanuck, and Taylor Smith to our Eastview family.

Eastview fourth grade students were able to participate in the fourth 4th grade Adventure Day. The students had the opportunity to participate in several activities including learning about Illinois mammals, aquatic life, etc. at Lakeland Park.

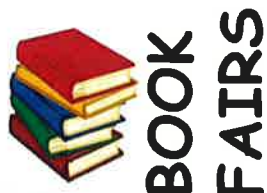

Eastview's parent group, SOS, has begun meeting in the EV library. We would like to encourage all parents to attend our Support our Students (SOS), meetings. The meeting dates and times are posted on the district calendar. SOS has a variety of volunteer opportunities available to interested parents. Events the parent group assists in planning are a movie night, Eastview Day, and Kindergarten open house.

Regular attendance is extremely important for your student's academic success. If your student needs to be absent due to illness please contact our office at 647-0136 by 9:00 a.m.

We are looking forward to another fun and exciting year at Eastview!

Notification of Rights under FERPA and the Illinois School Records Act

The Family Educational Rights and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

- (1) The right to inspect and review the student's education records within 15 days of the day the District receives a request for access.**

Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parents or eligible students of the time and place where the records may be inspected.

- (2) The right to request the amendment of the student's education records that the parents or eligible student believes are inaccurate or misleading.**

The parents or eligible student may ask Canton Union School District #66 to amend records that they believe are inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parents or eligible student, the District will notify the parents or eligible student of the decision and advise them of their right to a hearing. Additional information regarding the hearing procedures will be provided at that time.

- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA or the Illinois School Records Act authorized disclosure without consent.**

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, a supervisor, an instructor, or a support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, an auditor, a medical consultant, or a therapist); or a parent or student serving on an official committee such as a disciplinary or grievance committee or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student intends to enroll.

- (4) The right to a copy of any school student record proposed to be destroyed or deleted.**

Permanent student records are maintained for 60 years. Temporary records are maintained for five years after the student has graduated, transferred or permanently withdrawn. Requests for copies during that time may be directed to the school principal.

- (5) The right to prohibit the release of directory information concerning the parent's/guardian's child.**

Throughout the school year, the District may release directory information regarding students, limited to: name; address; gender; grade level; birth date and place; parents'/guardians' names and addresses; academic awards, degrees, and honors; information in relation to school-sponsored activities, organizations, and athletics; major field of study; and period of attendance in school.

Any parent(s)/guardian(s) or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the Building Principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parent(s)/guardian(s) or eligible student are specifically informed otherwise.

- (6) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.**

The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Canton Union School District #66 has implemented an automated communication system we call INFONET. The INFONET system provides parents and students 24-hour access to a teacher's voicemail box.

INFONET is accessed by calling 647-3400. Your call will be greeted by a welcome announcement which directs you to various options. Before and after school you may call direct to a teacher's room by dialing 647-3400 followed by the four digit number listed in the following directory. At any time of day you may access an individual teacher's voicemail box by dialing 647-3400 and pressing the four-digit number listed in the following directory after the recording starts.

We encourage you to use the INFONET system if you wish to contact your student's teacher(s).

For your convenience, we have listed on these pages all teacher extension/voicemail numbers.

Big Brothers Big Sisters Lunch Buddy Program

Big Brothers Big Sisters is looking for volunteers/Bigs for our Lunch Buddy program for the upcoming school year. Bigs (parents/guardians/grandparents/community members) will meet with their Little one day each week for 30 minutes during the student's lunch. Matches spend the time chatting, working on homework or playing games. Research shows that students who are involved in the Lunch Buddy Program are: 1) 52% less likely to skip school; 2) 46% less likely to begin using illegal drugs; 3) 27% less likely to begin using alcohol; and 4) 33% less likely to resort to violence. BBBS currently has a waiting list of students who are looking forward to one on one time with a positive role model. Volunteers must be at least 16 years of age and pass background checks. To volunteer to become a Lunch Buddy, please contact Jessica Robbins-Anderson at 309-647-1820 or by email at jess@hoibbbs.org.

Asbestos Notification

In accordance with the Asbestos Hazard Emergency Response Act (AHERA), Canton Union School District #66 is required to publish notification that asbestos containing materials are present in district buildings. Canton Union School District #66 has an Asbestos Management Plan that complies with the mandates of AHERA.

A copy of each building plan is available in the school office, along with the most recent three-year inspection. A copy of the district Asbestos Management Plan is available at the Canton School District Administration Office, 20 West Walnut Street, Canton.
