

## **Students**

### **Release During School Hours**

For safety and security reasons, a prior written or oral consent of a student's custodial parent/guardian is required before a student is released during school hours: (1) at any time before the regular dismissal time or at any time before school is otherwise officially closed, and/or (2) to any person other than a custodial parent/guardian.

If the parents of a student are divorced and one of the parents has been granted custody of the student, it is the custodial parent who must give permission for the release of the student during the school day. It shall be the responsibility of the custodial parent to inform the school of such restricted authority. Such notification shall be addressed to the Building Principal in writing and shall include a copy of the court order establishing exclusive custody.

### **Early Dismissal Announcement**

The Superintendent or designee shall make reasonable efforts to issue an announcement whenever it is necessary to close school early due to inclement weather or other reason.
