# Hot Chocolate

I love hot chocolate! It is the best when my dad makes it. I put in ten marshmallows. He only puts in five marshmallows.

When it is cold outside, my dad picks me up from school. We like to come home and run inside. After that, we change into our pajamas and make some hot chocolate. We think hot chocolate is the best when it is cold!

When we drink it, we watch a fun movie and sit together. Our favorite ones have animals in them. I love being with my dad.
