Medical Emergency Preparedness

Generally

The Board of Education is subject to the Physical Fitness Facility Medical Emergency Preparedness Act (“Act”). 210 ILCS 74/1 et seq.

Authorization To Implement Act

The Superintendent, or the Superintendent’s designee, is authorized to establish and implement such practices and procedures as may be necessary or appropriate in order to implement the Act. This shall include, but not necessarily limited to, a medical emergency plan, procedures for the testing, maintenance and use of automated external defibrillators, and the training of staff or others on the role of cardiopulmonary resuscitation and use of AEDs.

Immunity

Neither the adoption of this Policy nor the implementation of the Act shall be construed to the effect that the Board of Education has assumed any duty to any person or limit or waive immunity provided by the Act or otherwise by law.
