The Principal hereby agrees to faithfully perform these duties for the District and to devote such time, skill, labor and attention to her employment during the term of this Contract as is reasonably required to meet the responsibilities, duties, objectives and goals as provided for under this Contract.

The Board has the right to adjust the annual salary of the Principal during the term of the Contract in its sole and absolute discretion; provided, however, that unless any reduction in salary is uniform with similar reduction of salaries for the School District's licensed staff, the Principal shall be entitled to notice and a hearing as provided in the case of discharge for cause. Any adjustment in salary, as set forth herein, made during the term of this Contract shall be in the form of an amendment hereto and, after its adoption by the Board of Education, shall be attached hereto and made a part hereof. The parties acknowledge and agree that any adjustment in salary as set forth herein will not be construed as an extension of this Contract nor will it be construed as a new contract or in any other way affect the terms hereof.

6. LICENSE. The Principal must, throughout the term of this Contract, furnish to the Board of Education a valid and appropriate license and endorsements to act as a school principal in accordance with the laws and statutes of the State of Illinois and the rules and regulations of the State Board of Education.

7. OTHER WORK. Only with the prior consent of the Board may the Principal undertake consultative work, speaking engagements, writings, lecturing or other such professional duties and obligations unrelated to her duties as Principal of this School District; provided, however, that the Board President shall have the authority to grant permission for such other work in the event that time does not permit presenting the question to the full Board for prior approval. The applicable requirements and provisions of 110 ILCS 100/1-1 and the decisional law of the State of Illinois in respect to same, shall apply to the provisions of this paragraph.

8. EVALUATION. During the term of this Contract, the Superintendent shall review with the Principal: (a) the Principal's working relationships with the Board of Education, the Superintendent, the faculty, staff and community; (b) the performance of the Principal in fulfilling the duties and responsibilities set forth under this Contract, in her job descriptions and in the Board

The provisions of the School Code, as amended from time to time, and the decisional law of the State of Illinois shall apply to this paragraph.

10. DISCHARGE FOR CAUSE. Throughout the term of this Contract the Principal shall be subject to discharge for cause; provided, however, that the Board shall not act in an arbitrary or capricious fashion with respect to such discharge. Failure of the Principal to comply with the terms and conditions of this Contract shall also be sufficient cause for discharge as provided in this Contract. In the event of discharge for cause, the Board shall deliver to the Principal, in the manner provided by paragraph 23 below, notice of said discharge for cause. Such notice, when given by the Board, must be in writing stating the specific reason or reasons therefor.

Within ten (10) calendar days after receipt of such notice of discharge for cause, the Principal may request a hearing before the Board of Education on the discharge. At such hearing, which shall be conducted in a closed session meeting of the Board, the Principal shall have the right to present evidence, witnesses, and defenses to the grounds for discharge, may cross examine witnesses, and may be represented by legal counsel of her own choosing at her own expense.

11. SICK AND PERSONAL LEAVE. The Principal will be entitled to fifteen (15) sick leave days per school year without loss of pay. The Principal's sick leave may accumulate without limit and shall be subject to such other provisions as may be contained in School District policies, rules, and regulations. The term "sick leave" as used in this Contract shall be interpreted in accordance with Section 24-6 of the School Code (105 ILCS 5/24-6). The Board may require a physician's certificate as a basis for pay to the Principal during any sick leave of five (5) or more consecutive weekdays.

The Principal will also be entitled to two (2) personal leave days per year. The Principal's personal leave may not accumulate from year to year and shall be subject to such other provisions as may be contained in School District policies, rules, and regulations.

12. VACATION. The Principal will receive twenty (20) paid working days of vacation in each year this Contract is in effect, exclusive of holidays recognized by the School District. Vacation shall be taken subject to approval by the Superintendent, but at the Principal's option, such 20-day vacation period need not be taken at any one time, but must be taken within twelve (12) months of the year in which it is earned and shall not be cumulative. Unused vacation days will convert to sick days at the end of the contract year in which they were earned. However, upon separation of employment, any unused vacation days shall be paid to the Principal at the

The Principal will also, during the life of this Contract, be entitled to any additional benefits provided to any employee of this School District as may be established in a collective bargaining agreement or otherwise provided to said employees during the term of this Contract. Such additional benefits will be automatically extended to the Principal at the time they become effective for said other employees, without further action on the part of the Principal.

It is the intention of the parties to qualify these payments by the Board on the Principal's behalf as a "picked up" payment sheltered from federal income taxation pursuant to Section 414(h) of the Internal Revenue Code of 1986, as amended.

Should the rate of required member contributions for TRS purposes increase during the term of this Contract, from and out of the salary set forth in paragraph 5 above, the Board shall withhold and pay on behalf of the Principal the remainder of her required contribution to TRS. The purpose of such direct employer payments shall be to defer federal income taxation of such amounts, consistent with the provisions of Internal Revenue Code section 414-h(2) and Tax Opinions 81-35 and 81-36.

16. **MEMBERSHIPS IN PROFESSIONAL SOCIETIES.** The Board will, during the term of this Contract, pay the Principal's annual membership dues to the Illinois Principals Association, and such other organizations as determined by the Board.

The Superintendent and the Board individually and collectively will use their best efforts to promptly refer to the Principal, for purposes of her study and recommendation, if appropriate, all criticisms, complaints and suggestions which may from time to time be called to their attention. The Principal will also report to the Superintendent and the Board, collectively whenever possible and individually when criticism warrants, all criticisms, complaints and suggestions called to the Principal's attention and will request direction from the Superintendent and the Board as to whether study or recommendation is required from the Principal. When appropriate, such report shall be made through the Superintendent, in accordance with the Board's policies.

19. TUITION REIMBURSEMENT/ DOCTORAL DEGREE. During the term of this Contract, the Board shall reimburse the Principal at the rate of $350 per semester hour toward tuition for classes preapproved by the Superintendent. If the Principal resigns from the employment of the Board within three (3) school years following the school year in which a course is completed, the Principal shall be required to repay to the Board the full amount of tuition reimbursement received for that course. This repayment requirement shall not apply if the Principal has reached at least 55 years of age, has sufficient creditable service with the Illinois Teachers' Retirement System ("TRS") to retire with a full, non-discounted, non-ERO pension, and resigns with the intent to retire. If the Principal leaves the employment of the Board for any reason before a claim for reimbursement has been paid, the claim for reimbursement is forfeited. Any amounts due the Board under this paragraph may be deducted by the Board from the Principal's remaining pay, and if any balance remains unpaid thirty (30) days after written notice of said balance is provided, the Principal shall pay the Board's reasonable attorney's fees, costs and expenses of litigation incurred by the Board in the collection of any balance due.

If the Principal receives a doctoral degree in an educational or education administration field, the Board will increase the Principal's salary by 5%. 22. BREACH OF AGREEMENT. Failure of the Principal to fulfill the obligations set forth in this Contract will be considered to be a violation of the Code of Ethics for Illinois Educators and may be reported by the Board to appropriate state and national associations of school administrators and state education authorities. Such failure may also be deemed a breach of this Contract sufficient to constitute cause for discharge/dismissal of the Principal or non-renewal of this Contract as provided in paragraphs 9 and 10 above if, in the opinion of the Board of Education, such action would be in the best interests of the School District. In the event of such breach or failure, the Board shall have all other rights and remedies, which are provided by law.

Failure of the Board of Education to fulfill its obligations set forth in this Contract will be considered a breach of this Contract. In such event, the Principal shall have all rights and remedies which are provided by law.
