CITY BUS STOPS 2026-2027

Students residing at a distance of **one and one – half miles** or more from their assigned school are eligible for bus transportation. Bus riders should arrive at the bus stop **TEN minutes** before the scheduled departure time; **the bus driver is not to wait and may proceed on a timely route if the student is not in sight.** **Students are to have one bus stop location for the entire week for AM and PM. If a different location is needed, the parent or guardian is responsible for transport. For any special requests to ride a different bus, the parent or guardian must call the bus garage for approval before 12:00pm of the requested day.**

Animals, insects, weapons, glass objects, or any other material that could cause a potential hazard on the school bus cannot be transported. If food is transported, it must be in a lunch box, bag or a sealed container. All objects must be small enough to be held in the child's lap or between their legs. **Routes and times are subject to change**.

Parents/Guardians are welcome to download the My Ride K-12 App to find out more precise bus times and receive Inclement Weather alerts. If you have any questions, please call 309-647-1415.
