For ESP employees, after three years the negative entries dated before August 31, 2018 shall be pulled from the ESP employee file if no other discipline has occurred.

**ARTICLE VIII
GRIEVANCE PROCEDURE**

A. DEFINITION

A grievance will mean a complaint that there has been an alleged violation, misinterpretation, or misapplication of any provision of the Agreement.

B. STATEMENT OF BASIC PRINCIPLES

1. Every employee covered by this Agreement or the Association on behalf of a class(es) will have the right to present grievances in accordance with these procedures, with or without representation. Nothing contained in this article or elsewhere in this Agreement shall be construed to prevent any individual employee from discussing a problem with the administration and having it adjusted without intervention or representation of Association representatives.
2. An employee who participates in these grievance procedures will not be subjected to discipline or reprisal because of such participation.
3. The failure of an employee or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits will permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

4. Any employee has a right to be represented in the grievance procedure at Step C-2 and beyond. The employee will be present at any grievance discussion when the administration and/or the Association deems it necessary. When the presence of an employee at a grievance hearing is requested by either party, illness or other incapacity of an employee will be grounds for any necessary extension of grievance procedure time limits.
5. In any instance where an employee is not represented in the grievance procedure, the Association will be notified of the final disposition of the grievance. Such disposition will not be in conflict with any of the terms or conditions of this Agreement.
6. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held, insofar as possible, after regular school hours, or during non-teaching time of personnel involved. When such hearings and conferences are held at the option of the Administration during school hours, all employees whose presence is required will be excused with pay for that purpose.
7. It is agreed that any investigation or other handling or processing of any grievance by the grievant or association representatives(s) will be conducted so as to result in no interference with no interruption whatsoever of the instructional program and related work activities of the staff.
8. At any time during the following procedure, the grievant may withdraw his complaint without establishing precedent. Written notice of withdrawal may be requested by either party.
9. A working day will constitute any calendar day except weekends and school holidays. Summer break will not be considered a school holiday.

C. PROCEDURES

An attempt must be made to resolve any potential grievance in an informal, verbal discussion between the employee and his immediate supervisor.

1. First Step

After attempting to resolve a grievance informally with the immediate supervisor, an employee may deliver a formal grievance in writing to the immediate supervisor. The written grievance should state the nature of the grievance, should note the specific clause or clauses of the Agreement allegedly violated, and should state the remedy requested.

The grievance must be delivered within twenty (20) working days from the date of the occurrence of the event giving rise to the grievance. The supervisor shall meet with either the employee or the local Association representative within 5 days of

receiving the grievance to discuss the grievance. Following that meeting, the supervisor will make a decision and communicate it in writing to the employee and the Superintendent within ten (10) working days of that meeting.

2. Second Step

In the event a grievance has not been satisfactorily resolved at the first step, the grievance may be filed with the Superintendent, within five (5) working days of the supervisor's written decision or answer. Within ten (10) working days after such written grievance is filed, the grievant, his or her representative, the principal, and the Superintendent or his designee, and the supervisor if deemed necessary by the Superintendent, will meet in an attempt to resolve the grievance. The Superintendent or his designee will deliver an answer within ten (10) working days of the second step grievance meeting and communicate it in writing to the employee, the supervisor, and the Association. The parties may agree that grievances may begin at the Second Step in the event of a class grievance or if there is no supervisor other than the Superintendent.

3. Third Step

If the grievance cannot be settled at the second step, the Association may appeal to the Board by filing a written appeal with the Superintendent within ten (10) working days after the receipt of the Superintendent's answer. The Board shall consider the grievance within thirty (30) calendar days of the date of receipt of appeal by the Superintendent at this Third Step. The Board shall render its decision with a copy to the Association and grievant, within ten (10) working days after the meeting at which the grievance is considered. If the grievance is not resolved through this method the grievance may be moved to the fourth step.

4. Fourth Step

If the grievance is not resolved satisfactorily, the Association may submit the grievance within twenty (20) working days of the Board's decision (Third Step), to final and binding arbitration. The American Arbitration Association will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will, within seven (7) days alternately strike one name at a time from the panel until only one will remain. The remaining name will be the arbitrator. The decision of the arbitrator will be final and binding on the parties.

The arbitrator's fees and the expenses which are common to both parties for the arbitrator will be borne equally by the Board and the Association. Each party to an arbitration proceeding will be responsible for compensating its own representatives and witnesses.

The arbitrator will have no power to alter the terms of this Agreement. His authority will be limited to deciding only the issue or issues presented to him by the School Board and the Association, and his decision must be based solely upon his interpretation of the meaning or application of the provisions of the Agreement.

**ARTICLE IX

Within the Paraprofessional classification, those aides who possess special skills and abilities, (for example, hearing impaired interpreter, English as a second language aide, computer aide, learning assistance center aide) shall be exempted from the RIF if their position is still required. There shall be no "bumping" into another job classification. ESP employees, except paraprofessionals, to be reduced shall be given written notice no later than 60 days prior to the beginning of the next school year preceding the reduction. Paraprofessionals may be reduced upon a 30 day notice any time.

B. SENIORITY

The ESP employment date shall be the first day the ESP reports to work.** Seniority shall be defined as the length of an ESP employee's continuous employment with the District within the job classification. An employee shall only accrue seniority in the classification in which he/she is currently employed, but shall retain seniority previously accrued in other classifications.

Service shall be computed from the first day of uninterrupted employment. Service shall not be interrupted due to utilization of approved leaves of absence, vacations, time on recall, or normal breaks in the contractual year for that job classification. A seniority list shall be developed and posted each year prior to October 1 reflecting the length of service of each ESP employee in each job classification including those on layoff. A part-time custodian hired after July 1, 2002, will accumulate seniority at a fractional part of a year as determined by the fractional part of the workday.

**In the case of an employment date tie, the tie breaking criteria shall be:

1. Years of service within the District
2. Qualifications
3. Evaluations
4. Recommendation of the Superintendent

C. RECALL

Each ESP employee laid off will have a recall period equal to the greater of one year or the number of years of seniority divided by two (2) with a maximum of five (5) years. If a vacancy occurs, the most senior qualified ESP employee in that classification shall be offered the position. If there are no ESP employees on the recall list in that classification, ESP employees on recall lists in other job classifications who have seniority in the classification which is being recalled will be considered first, then all ESP employees in other job classifications will be considered. ESP employees shall retain recall rights during the recall period, subject to the following:

1. If an employee declines to accept a position to the same classification that he or she was laid off from, the employee's recall rights shall terminate provided, however, that an employee who was full-time at the time of layoff shall not lose recall rights if he or she turns down a part-time position.
2. If an employee declines to accept a position from a different classification than the one he or she was laid off from, the employee shall lose recall rights only to positions in that classification.

Recall notification shall be made by certified mail to the last known address of the ESP employee on file. In the event that the ESP employee fails to respond within fifteen (15) calendar days of receipt of the notification or attempted delivery, the employee will be removed from the recall list.

D. FULL-TIME/PART-TIME

Whenever possible, the District shall retain and/or create full time positions rather than dividing full time positions into part time positions.

E. RESTRICTIONS

There shall be no reduction in hours or positions in any classification due to the employment of at-will employees or dues to the creation of the custodial maintenance position. Summer custodial work shall be offered to current bargaining unit members before the district hires at-will custodial workers. Additional Principal's Helpers will not be hired to replace or reduce the hours of custodial positions. Reductions in hours or positions in all ESP classifications shall be accomplished, whenever possible, through attrition.

However, this per diem compensation shall not be available for attending coursework that will be recognized as educational achievement for salary advancement purposes.

O. Credit for advancement on the hiring schedule shall be granted at the beginning of a semester upon receipt of documentation indicating the successful completion of designated non-college credit courses or workshops. The district shall designate these courses or workshops in advance and shall determine for each the college hour equivalency, which would be allowed for credit on the hiring schedule.

P. It is the responsibility of the teacher to present to the Superintendent's office official documentation, which would result in advancement in educational achievement. Such documentation must be presented prior to the beginning of a semester in order for that change to be in effect for that semester.

Q. POST RETIREMENT COMPENSATION

Sick leave days not used toward TRS service credit shall be multiplied by 50% of the sub pay rate in the year of retirement. Payment for unused sick days shall be capped and not exceed \$1000. Additional unused after TRS service credit and post retirement compensation may be donated to the district sick bank. Any retiree eligible for post-retirement pay must contact the business office prior to July 1 with documentation from TRS regarding sick days used towards service credit. This post retirement compensation will be paid equal dollars to the retiree no later than September 15th following their last year of employment.

Criteria for the bonus include a candidate with less than five years of teaching service and that the position is difficult to fill due to shortages of qualified and acceptable candidates. The signing bonus will be paid in four increments on September 15 each year over the first four years of service: 20% of bonus after each of the first three years of acceptable service and 40% after the fourth year of proficient service. The employee must be employed in the Canton School District on September 15th of the fifth year to be paid.

For specialist positions (including school social worker, school psychologist, speech/language pathologist, and licensed school nurse), the Board of Education may increase the amount of the signing bonus in its sole discretion, not to exceed \$10,000. Memorandum of Understanding

Retirement Incentive for the 2021-22 School Year, The 2022-23 School Year, and the 2023-24 School Year

If there are no ERO/modified ERO costs to the Board, then any certified employee planning retirement under TRS and having at least ten (10) years of continuous service in Canton Union School District 66, shall receive a 6% retirement incentive to the certificated employee's salary (inclusive of all other increases) for each of the last two (2) or three (3) school years of service (based on prior year's creditable earnings) provided said employee submits a letter of resignation on or before August 1 of the first year in which he/she will receive the retirement incentive, but no less than two (2) school years prior to the effective date of the retirement. The letter of resignation must reference an intent to retire under this Early Retirement Incentive Policy and be accompanied by the TRS member requested "Personal Statement of Benefits" and a "Benefit Estimate" indicating total years of service.

In order to qualify for this incentive, certified employees must retire when they are "first eligible" for a non-discounted retirement annuity. A certified employee is "first eligible" at the first of the following to occur:

- (1) At the end of the school year in which the certified employee accumulates 35 years of creditable service (including applicable credit for sick leave, military services, or alternate pension systems); or
- (2) At the end of the school year in which the certified employee reaches age 60 and has 20 or more years of creditable service.

In order to avoid paying TRS for the actuarial value of any salary increase over 6% for those within three years of retirement eligibility, the Board may limit increases in creditable earnings to a maximum of 6% by restricting changes in creditable earnings.

A teacher may voluntarily resign from an extra duty assignment; however the teacher's compensation would be reduced accordingly. A teacher may be removed from a creditable earnings assignment by the Board only for cause. In such case, the compensation would be reduced accordingly. Elimination of a program would require a mutually agreeable alternative assignment.

A Board-approved leave of absence does not constitute a break in continuous service. If a retiring teacher encounters a verifiable major health problem that causes them to drop below the needed number of sick leave days towards retirement, he/she is entitled to withdraw his/her letter and re-submit when he/she regains eligibility for the incentive. If any teacher receives benefits under this policy and subsequently fails to retire as contemplated herein, such teacher shall be obligated to reimburse the district for the amount of the incentive less what the teacher would have received had the teacher not been eligible for the retirement incentive. Under such circumstances, the district is authorized to make deductions from subsequent paychecks in the maximum amount of 5% of the initial amount to be reimbursed per pay period.

In the event the Illinois Pension Code, regulations promulgated by TRS, or TRS interpretations are made, changed, or modified during the effective period of this Agreement and such interpretations or modifications have the effect of requiring employer or member contributions under this ERI, the parties shall engage in mid-term bargaining to amend this ERI in such a way that no employer or member costs shall be incurred.

Employees who have submitted retirement notifications pursuant to the Memorandum of Understanding entitled "Retirement Incentive for the 2018-19 School Year, the 2019-20 School Year and the 2020-21 School Year" before the ratification of this Memorandum and who will retire in 2022, 2023, or 2024 will receive a 6% increase for each year of his/her remaining years of service, except that such employees who would retire after four years of increased salary shall receive, for each such remaining year, only: (i) a 5% increase for those retiring at the end of the 2022-23 school year; or (ii) a 4% increase for those retiring at the end of the 2023-24 school year.

Memorandum of Understanding

Instruction for Quarantined Students 2021-2022

The Board of Education of Canton Union School District No. 66, Fulton County, Illinois (the “Board of Education” or “District”) and the Canton Education Association IEA-NEA (the “Association”) previously entered into a collective bargaining agreement for July 1, 2018, through June 30, 2021 (the “Prior Agreement”) and have negotiated a collective bargaining agreement for July 1, 2021, and beyond (the “Successor Agreement”). In response to the March 9, 2020, Gubernatorial Disaster Proclamation, the related Executive Orders from Gov. J.B. Pritzker, and the continuing guidance on the return to in-person learning from the Illinois State Board of Education and the Illinois Department of Public Health, the Association and the Board (collectively “the Parties”) hereby agree to supplement the Prior Agreement and Successor Agreement as follows for the 2021-2022 school year:

1. ISBE Declaration.

- a. The Parties acknowledge that State Superintendent of Education, Dr. Carmen I. Ayala, issued the following declaration on July 9, 2021: “Beginning with the 2021-22 school year, all schools must resume fully in-person learning for all student attendance days, provided that, pursuant to 105 ILCS 5/10-30 and 105 ILCS 5/34-18.66, remote instruction be made available for students who have not received a COVID-19 vaccine or who are not eligible for a COVID-19 vaccine, only while they are under quarantine consistent with guidance or requirements from a local public health department or the Illinois Department of Public Health.”
- b. The Parties further acknowledge that ISBE guidance has previously stated that Remote Learning pursuant to the ongoing disaster proclamation must include a minimum of 5 hours of instruction, with 2.5 hours “strongly recommended to be synchronous.” The Parties agree that this memorandum is intended to comply with the current guidance, but revisions may be needed if such guidance changes.

2. Quarantined Learners. The Director of Student Learning or Director of Curriculum and Instruction will manage the implementation of Quarantined Learners plan. The Director of Student Learning or Director of Curriculum and Instruction will be the person in charge of the program used to manage the Quarantined Learners. He or she will be the point of contact for the parents, as well as the person who manages the overall program. Building principals will also have to be involved as different grade levels will need different services.

3. Lessons/Instruction at All Levels.

- a. Each teacher will provide content for students who are quarantined through the district's learning management program. This could include posted videos of the teacher, videos from other sources (i.e. Kahn Academy), the same class assignments as students who are in the classroom or modified assignments.
- b. Each morning (except Wednesday due to PLC), teachers will be available via email/phone for quarantined students from report time until classes begin to meet with students.
- c. Teachers will be available from 3:10-3:30 to assist quarantined students via Google Meet.

4. Evening Tutoring Program.

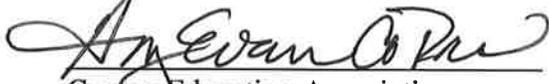

- a. Two teachers from each level, elementary school, middle school, and high school will be available from 3:30-5:30 on student attendance days to provide additional assistance for quarantined students. This will be paid at a rate of \$35 an hour. Staffing levels for the tutoring program can be adjusted by administration based the number of students on remote learning as need.
- b. If the district is unable to staff the Evening Tutoring Program due to a shortage of staff members or an excess number of quarantined students, then the district will meet with the CEA to develop a plan for compliance with attendance and daily learning requirements.

5. Remote Work During Isolation Periods. The Board shall provide up to a total of five (5) paid leave days for each bargaining unit member who is not able to work remotely and either (i) is ordered to quarantine or self-isolate at home by either the School District or the Fulton County Health Department; or (ii) must care for a household member who is positive for or quarantined due to COVID-19. Such paid leave days shall be applied automatically before the employee is required to use any accumulated paid leave under the Agreement and shall run concurrently with available FMLA leave, if any. District administration may request written confirmation from a primary care physician or local health department.

The Parties agree that this Memorandum is not precedential, does not provide grounds to open the remainder of the Prior Agreement or Successor Agreement for consideration of any other amendments or negotiations, and does not provide grounds to pay any other individual in a manner other than outlined above.

Memorandum of Agreement

One-Time Bonus in Recognition of 2021-2022 Performance

The Board of Education of Canton Union School District No. 66, Fulton County, Illinois (the “Board of Education” or “District”) and the Canton Education Association IEA-NEA (the “Association”) previously entered into a collective bargaining agreement for July 1, 2021, through the start of the 2024-25 school year (the “Agreement”). The Parties hereby agree to supplement the Agreement as follows for the 2021-2022 school year:

1. In recognition of the District employees’ extraordinary performance during the 2021-2022 school year and their assistance in keeping the schools of the District safely operating for students during a challenging year in public education, the Board has elected to pay each regularly-employed employee a one-time bonus in the amount of Seven Hundred and Fifty Dollars (\$750.00) at the end of the spring 2022 semester.
2. Regarding this bonus, the Parties agree as follows:
 - a. The amount of the bonus stated above is calculated before any required withholding amounts, such as taxes or retirement contributions. Each licensed employee shall be responsible for their own member contributions due to Teachers’ Retirement System of the State of Illinois (“TRS”) and Teachers Health Insurance Security Fund (“THIS”), and each nonlicensed employee that participates in the Illinois Municipal Retirement Fund (“IMRF”) shall be responsible for their own member contributions due to IMRF, which the District shall withhold from the bonus amount and remit to the respective fund.
 - b. This bonus shall be paid to all regular employees, including administrators, bargaining unit members, part-time employees, and long-term substitutes, who were present and participating in instructional activities for the 2021-2022 school year and who remain employed on the date of Board approval of this memorandum, except as noted in Sections 3 and 4 below.
 - c. This bonus shall be paid in one lump sum to all recipients, subject to all required withholding. It will be paid as a separate payment in addition to current payrolls.
 - d. This bonus is a one-time payment that will expire at the end of the 2021-2022 school year and will not be repeated in the future. This bonus shall not be included in any employee’s base wages or salary for the 2021-2022 school year and will not be included in the calculation of their wage or salary increases in subsequent years.
3. Regarding licensed employees, the Parties further agree as follows:
 - a. For licensed employees who have previously submitted an irrevocable letter of intent to retire and who are currently receiving the 6% retirement incentive described in the Retirement Incentive Memorandum of Understanding attached

to the Agreement, this bonus shall not become due and payable until after the individual's receipt of their final regular paycheck or last day of work, whichever is later. The bonus amount shall be paid in a single lump sum at that time. The bonus amount may still be subject to required withholdings, such as taxes. The Parties acknowledge that this bonus amount will not be treated as creditable earnings by TRS.

- b. For individuals who submit an irrevocable letter of intent to retire and begin receiving the 6% retirement incentive described in the Retirement Incentive Memorandum of Understanding attached to the Agreement in the future, this bonus shall not be included in their base salary for the 2021-2022 school year or the calculation of their salary increases in subsequent years.
- c. In the event that any retiring licensed employee who is not described in Section 3(a) or 3(b) above would exceed the 6% limit on increases in creditable earnings due to receipt of this bonus, then this bonus shall not become due and payable until after the individual's receipt of their final regular paycheck or last day of work, whichever is later. The bonus amount shall be paid as described in Section 2(a) above.

4. Regarding nonlicensed employees, the Parties further agree as follows:

- a. If this bonus, or any portion thereof, shall trigger an IMRF "Accelerated Payment" obligation for the District regarding any individual employee, such amount shall not become due and payable to that employee until the month after the month following the employee's resignation date. The bonus amount shall be paid in a single lump sum at that time. The bonus amount may still be subject to required withholdings, such as taxes. The Parties acknowledge that this bonus amount will not be treated as reportable earnings by IMRF.

The Parties agree that this Memorandum is not precedential, does not provide grounds to open the remainder of the Agreement for consideration of any other amendments or negotiations, and does not provide grounds to pay any other individual in a manner other than outlined above.
