

RURAL BUS STOPS 2024-2025

The bus stops listed are to be used as a guide to the roads the buses currently run and the scheduled times. Bus riders should arrive at the bus stop ten minutes before the scheduled departure time; the bus driver is not to wait and will proceed in a timely manner if the student is not in sight. Since most Rural Bus Stops are door to door, parents must call the bus garage to schedule transportation (309-647-1415). **Students are to have one bus stop location for the entire week for AM and PM. If a different location is needed, the parent or guardian is responsible for transport. For any special requests to ride a different bus, the parent or guardian must call the bus garage for approval before 12:00pm of the requested day.**

Animals, insects, weapons, glass objects, or any other material that could cause a potential hazard will not be allowed on the school bus. If food is transported, it must be in a lunch box, bag, or sealed container. All objects must be small enough to be held in the child's lap. **Routes and times are subject to change.**

Parents of Little Learners, Early Childhood, and Special Education busing should receive a phone call within a couple days of the start of school regarding approximate pickup and drop off times.

Inclement Weather Routes-When Inclement Weather Alerts are announced via Sky Alerts and Social Media, we will run routes **if they are listed on the right hand side of the bus stops**. If nothing is listed, you can expect normal pick up and drop off locations. Parents or Guardians will be expected to be at the selected locations in order for the Driver to release the student off of the bus.
