RURAL BUS STOPS 2026-2027

The bus stops listed are to be used as a guide to the roads the buses currently run and the scheduled times. Bus riders should arrive at the bus stop ten minutes before the scheduled departure time; the bus driver is not to wait and will proceed in a timely manner if the student is not in sight. Since most Rural Bus Stops are door to door, parents must call the bus garage to schedule transportation (309-647-1415). **Students are to have one bus stop location for the entire week for AM and PM. If a different location is needed, the parent or guardian is responsible for transport. For any special requests to ride a different bus, the parent or guardian must call the bus garage for approval before 12:00pm of the requested day.**

Animals, insects, weapons, glass objects, or any other material that could cause a potential hazard will not be allowed on the school bus. If food is transported, it must be in a lunch box, bag, or sealed container. All objects must be small enough to be held in the child's lap. **Routes and times are subject to change.**

Parents/Guardians are welcome to download the My Ride K-12 App to find out more precise bus times and receive Inclement Weather alerts. If you have any questions, please call 309-647-1415.

Inclement Weather Routes-When Inclement Weather Alerts are announced via Sky Alerts, Social Media, or the My Ride K-12 App. We will run routes **if they are listed on the right hand side of the bus stops**. If nothing is listed, you can expect normal pick up and drop off locations. Parents or Guardians will be expected to be at the selected locations in order for the Driver to release the student off of the bus.
