

RURAL BUS STOPS 2020-2021

The bus stops listed are to be used as a guide to the roads the buses currently run and the scheduled times. Bus riders should arrive at the bus stop ten **minutes** before the scheduled departure time; **the bus driver is not to wait and will proceed on a timely route if the student is not in sight.**

Animals, insects, weapons, glass objects, or any other material that could cause a potential hazard will not be allowed on the school bus. If food is to be transported, it must be in a lunch box, bag or a sealed container. All objects must be small enough to be held in the child's lap or between their legs. **Routes and times are subject to change.**

Students will have their temperature taken prior to boarding the bus and will be required to wear a face covering.

Parents of Little Learner, Early Childhood, and Special Education busing students should receive a phone call within a couple days of the start of school regarding approximate pickup and drop off times.
